ARUNACHAL PRADESH ENTREPRENEURSHIP DEVELOPMENT PROGRAM (APEDP)

Eligibility Criteria

To be considered for participation in the Arunachal Pradesh Entrepreneurship Development Program (APEDP), applicants must satisfy the following eligibility requirements:

1. Residency

The applicant must be a permanent resident of Arunachal Pradesh and possess valid proof of residence as prescribed by the Government of Arunachal Pradesh.

2. Business Presence

The startup, enterprise, or proposed business venture must be based in Arunachal Pradesh or demonstrate a clear intent to establish and operate within the State.

3. Stage of Startup

Applications are invited from entrepreneurs across all stages of venture development, including:

- Idea Stage
- Prototype Stage
- Early-Stage Startup
- Revenue-Generating Venture

4. Originality and Innovation

The proposed business idea should be innovative, scalable, and capable of creating economic and social value. Preference may be given to solutions addressing local challenges and opportunities within Arunachal Pradesh.

5. Commitment to the Program

Applicants must be willing to actively participate in all relevant program activities, including training sessions, mentoring engagements, workshops, networking events, review meetings, and pitching opportunities.

6. Compliance and Accuracy of Information

Applicants must provide complete and accurate information throughout the application and selection process and comply with all program rules, guidelines, and evaluation procedures. Any misrepresentation may result in disqualification.

7. Restriction on Previous Beneficiaries

Individuals who have previously been selected and supported under the program as a **Founder or Co-Founder** shall not be eligible to submit a new business idea or participate as a Founder/Co-Founder in subsequent editions of the program.

Employment and Professional Eligibility

9. Government Employees on (Permanent/Contract Basis)

Individuals employed on a permanent, contractual, or temporary basis in Government Departments, Public Sector Undertakings (PSUs), autonomous bodies, or other government-funded institutions are **not eligible to apply**.

10. Professionals and Self-Employed Individuals

Practicing professionals, including doctors, advocates, chartered accountants, architects, consultants, and other self-employed individuals, are eligible to apply, subject to compliance with the rules, regulations, and ethical guidelines of their respective professional bodies. The proposed startup venture must not conflict with their professional responsibilities or regulatory requirements.

Declaration

All applicants may be required to submit a self-declaration confirming that their participation in the program and operation of the proposed venture do not contravene any employment conditions, service rules, professional regulations, or other legal obligations applicable to them.
